PROFESSIONAL ACHIEVEMENTS

2015-2018 Service Excellence Recognition Program (SERP) Award, Magellan Healthcare
Achieved the SERP Award for 12-consecutive quarters which recognizes excellent performance in behavioral health consulting; including, delivery of service hours, client satisfaction surveys and chart audit reviews.

2013 Center of Recognized Excellence (CORE) Award Winner, Sharp Healthcare
Created, designed and implemented the Social Services Department's intranet site which included an overview of the department's core functions, a complete list of staff members, staff photos, contact information and biographies, and a list of department activities and achievements. This project was implemented to increase employee awareness of the department and enhance the team environment.

2011 Center of Recognized Excellence (CORE) Award Winner, Sharp Healthcare
Co-created and implemented the "Rock Out Ceremony" on the Chemical Dependency Unit. This program was developed to enhance the patient experience when discharging from the hospital. Patients are presented with a

“SHARP U ROCK” polished stone as a memento for their early steps in recovery. Patients are provided with an opportunity to share their experience of hope and encouragement in recovery.
