Judie A. Heineman, Ed.D.
Captain, U.S. Navy (Retired)
Adjunct Faculty, Point Loma Nazarene University

Judie Heineman served in the United States Navy for almost 28 years, retiring as a U.S. Navy Captain. An accomplished leader with a focus in information technology, she delivered critical communications capability ashore and afloat in the United States and overseas. She has been the Chief Information Officer for a Carrier Strike Group in San Diego, California; the Director of Information Technology the U.S. Naval War College in Newport, Rhode Island; and the Commanding Officer at the U.S. Naval Computer and Telecommunications Station in San Diego, California. A lifelong learner, Judie has a Doctorate in Education (Educational Leadership), a Master of Science Degree in Information Technology Management, and a Master of Arts Degree in National Security and Strategic Studies. She is also a certified Department of Defense Chief Information Officer and Chief Information Security Officer.

As a community volunteer, Judie has taught computer skills to Senior Citizens at non-profit facilities in San Diego. She is also a registered yoga teacher (RYT-200) and is currently serving as an ElderHelp volunteer (a non-profit organization). She is an adjunct faculty member at Point Loma Nazarene University in the Mathematics, Information and Computer Sciences Department and in College of Extended Studies.
